

## Article 8 – Regulatory and other Committees

*Planning and licensing are not Executive functions. The Council has created Committees to undertake these functions under powers delegated from full Council. The Council has called these Committees “Regulatory Committees”. The Council may also establish a Committee or Committees to deal with personnel and related matters, since this is a Council rather than Executive function, and other ad hoc Committees as may be required.*

### 8.01 **Regulatory Committees**

The Council will appoint the Committees set out in the left hand column of the table, “Responsibility for Council Functions” in Part 3 of this Constitution to discharge the functions described in column 3 of that table.
