INFORMATION ON PUPIL ACHIEVEMENT

If you are considering putting Parkstone Grammar School, Poole Grammar School or the "Expressly Academic Class" of Poole High School as your **First Preference** school you may wish to discuss with your child's current Headteacher the likelihood of them achieving a place as a result of the selection process.

To help you and the Headteachers of these schools you should ask the Headteacher of your child's current school to supply the following information on their academic achievement.

When completed you can take this form to Parkstone Grammar School, Poole Grammar School or Poole High School and discuss the appropriateness of an application for a place at that school in the light of the information supplied.
