**This scheme is subject to funding being available.**

Other energy providers also offer discounted insulation schemes. Details of these can be obtained from them directly. We cannot guarantee that this scheme offers the cheapest deal to all householders.

1. Subject to survey and further conditions. 2. The prices above are for home owners and are NOT means tested. Prices correct at time of printing, include VAT at 5% and subject to survey. Not to be used in conjunction with any other offer. Properties with additional bedrooms or larger wall or loft areas will be charged for the additional areas at a per square metre price inclusive of VAT. The extra costs will be payable by the customer. The level of subsidy depends on each individual property and the energy savings that can be made. The customer price is always less than the market value. 3. Council Tax rebate will only apply to one insulation measure e.g. either Cavity Wall and or Full Loft, customers benefiting from free insulation offer will not be entitled to Council Tax rebate. Only one application per household. 4. Source: Energy Savings Trust, August 2005.
